

SPARKPOWER™ EMERGENCY RESPONSE

Contact Spark Power at
1-833-775-7697
for emergency service.

Unscheduled downtime can hit anytime, anywhere, and for any reason. When it does, the priority is to restore production quickly, ensure people and property are safe, and prevent it from happening again. Whatever industrial, commercial, or utility (ICU) market you are in, Spark Power is committed to getting your systems up and running fast.

ANY TIME SERVICE TO HANDLE ANY PROBLEM

When your facility is impacted by loss of production, be it a damaged powerline, equipment failure or failed electrical systems, Spark Power is ready to lend a hand.

Emergency service

On a holiday. Over the weekend. In the middle of the night. During a snowstorm. We'll deliver the emergency response you need, when you need it.

24/7 line

Regardless of when you call, you'll hear from a Spark Power technician who is ready to assist at any time.

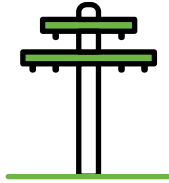

Repairs & restoration

Prompt pole and power line repair along with temporary power restoration maintains production and minimizes loss of power and production.
