

SPARKPOWERTM EQUIPMENT SALES AND RENTALS

NEW. USED. ON TIME. ON BUDGET.

When your electrical equipment requires a routine upgrade or fails unexpectedly, getting it operational as quickly as possible is imperative. Featuring an inventory of new, used, and hard-to-find components, Lizco Equipment, a Spark Power company, is your source for high, medium, and low voltage equipment.

SALES

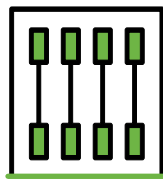

Take permanent ownership of the equipment your business needs to remain productive and profitable.

Arresters

Protect against external or internal over-voltage events:

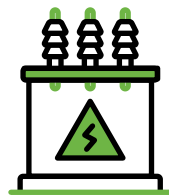

- Distribution arresters
- Intermediate arresters
- Station arresters

Switches

Long-lasting, high-performing, and affordable:

- Metal enclosed switches
- Pole mount switches
- Tower mount switches

Transformers

High and low voltage power and station class transformers:

- Single and three phase
- Dry and oil-filled
- Pole and padmount

Fuses also available: Standard and hard-to-find fuses ranging from 4.16 kV to 46 kV.

RENTALS

New and reconditioned substation electrical equipment for temporary projects, short- or long-term needs, or single-use requirements.

WHY CHOOSE LIZCO?

Buy or rent reliable and cost-effective electrical equipment that'll meet your needs, budget, and timeline.

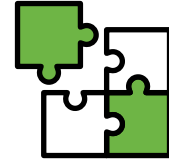

Global shipping

Around the corner or around the world, we ship from our warehouse to your facility.

Leading brands

Select from world-class brands like Siemens, GE, Unilec, and more.

Custom solutions

Refurbish old equipment or design and build substations based on your needs.

CONVENIENT ORDERING

Find and order the electrical equipment you need anytime, anywhere, by visiting www.lizcosales.com.
